

# Australian Sterilisation Data Report

## Report on tribunal and board-approved sterilisation of adults with cognitive impairment

1 July 2017 – 30 June 2018

The table below contains statistics on the number of instances where state and territory tribunals and boards have approved a sterilisation process during the period 1 July 2017 and 30 June 2018. This is the third report following the release of the 'National project on sterilisation data collection practices' report that was undertaken by the Australian Guardianship and Administration Council (AGAC) in 2015 with funding from the federal Attorney-General's Department. That report and its appendices are available on the AGAC website ([www.agac.org.au](http://www.agac.org.au)).

Previous reports on the number of instances where state and territory tribunals and boards have approved a sterilisation process during the period 1 January 2016 and 30 June 2017 are available on the AGAC website.

### Adult sterilisation approvals between 1 July 2017 and 30 June 2018
